MEDIA RELEASE

Another unqualified audit report.

The provincial Auditor General Brian Madliwa, accompanied by the Senior Manager in his office responsible for audits, Nadia Bruwer, met with the Executive Mayor Mantlhakeng Mahlangu, the Municipal Manager Willie Fouché and the Executive Manager Finance, France Naude on 14 January, in Steve Tshwete Local Municipality. The purpose of the Auditor General's visit to the municipality was to be debriefed on reports of the past audits cycle before the end of January this year. During this meeting, the Auditor general gave the mayor and her team the audit report of the financial year ended 2009/10. The report was an unqualified report with no other matters, which means the report was totally clean as far as finances and other matters are concerned. This makes Steve Tshwete Local Municipality to be one of the few municipalities in the country with such clean reports. The municipality has been receiving unqualified report from as far back as 2005.

Yours faithfully

W.D. Fouché
